ADAM AND EVE

You remember them, don’t you, the first two people on earth. After God created them he said to them, “…And God blessed them: and God said unto them, Be fruitful, and multiply, and replenish the earth…” (Gen. 1:28)

Our beloved Supreme Court of the United States showed themselves to be politicos instead of judges last week when they refused to take up the subject of so called “gay marriage.” Failing to live up to the concepts of our founding fathers and our constitution, they showed themselves to be spineless by not ruling on the subject.

Anyone who has common sense understands that marriage is and always has been, between a man and a woman. He created them and called them Adam and Eve and told them what their duty was from that time on. “…multiply, and replenish the earth.” Two men living together or two women living together cannot accomplish that.

To call homosexual unions marriages is not only a misnomer but it is confusing to many, including children. Since the beginning of time a “family” consisted of a man and a woman. To do otherwise is untrue and a lie serves no one well.

The main theme of the scriptures is for human beings to be servants of God and one of another. Those who believe in and practice such unholy alliances serve only themselves and are perverted. And since they are that way themselves, they want everyone else to be that way as well.

“Wherefore God gave them up in the lusts of their hearts unto uncleanness, that their bodies should be dishonored among themselves: for that they exchanged the truth of God for a lie, and worshipped and served the creature rather than the Creator…” (Rom. 1:24-25)
