“…MALE AND FEMALE…”

This is what the Bible says, “So God created man in his own image, in the image of God he created him, male and female created he them.” (Gen. 1:27 Emphasis mine.)

University of California at Irvine, California last week announced there were “six genders.” (Actual news story I saw said UC Berkley) But checking the stories, several of the state schools were mentioned. It’s like UT schools all over with the same name but different towns.

Now the Bible says there is male and female, so which one will you believe? The State of California and especially California schools have always been on the “cutting edge” of liberalism, accepting or inventing things yet unknown to the rest of the nation.

I thought about mentioned the “genders” they came up with but it would do no good and take up space. There never has been and never will be but two genders, “male and female.” The reason for the mention at all is the media has made such a big deal out of it.

What the University of any state, or the federal courts, or the Supreme court says, has little to do with us. In extreme cases we might run into a situation regarding this but the likelihood is infinitesimal.

Always, we must say with Peter and the apostles, “We must obey God rather than men.” (Acts 5:29) While it might not be easy at times, this we must do!
