NO COMPASS

In recent years we have heard a great deal about atheists and their efforts to get any reference to God or religion out of our society. We have also heard much about Muslims and seen the effects of their lifestyles. But these people have much in common, although they will not admit it. While atheists are determined to remove God from everything, Muslims are determined to replace God with a false one. The other thing that atheists and Muslims have in common is that they have no true compass, to guide them into a productive and honest lifestyle.

People of our country and many of our own brethren try to convince us that most Muslims are kind and generous people that have a great faith. Have you read the Koran? Their instructions come from a false prophet that was a terrorist, who would go into villages with his hoard of cutthroats and tell the people, “you convert or you die,” and we wonder why they have so many.

Israel, according to God, “for a long season Israel was without the true God, and without a teaching priest, and without law: but when in their distress they turned unto Jehovah, the God of Israel, and sought him, he was found of them. And in those times there was no peace to him that went out nor to him that came in; but great vexations were upon all the inhabitants of the lands. And they were broken in pieces, nation against nation, and city against city; for God did vex them with all adversity. (2 Chron 15:3-6)

This is what happens to those who have no true God. No true compass, and destruction.
