SATAN’S WORK

SATAN HAD A FIELD DAY IS CHARLESTON, S.C. LAST NIGHT. While this country is driving head long into lawlessness and degradation a lone man walked into a church last night and senselessly gunned down nine people.

This is no longer the land of “Law and Order,” as we witness incident after incident where people have no respect for the law and human life. Because of the lack of enforcement and the war against lawful authority, we are no longer safe in our churches.

Are churches now, in order to be safe, going to have to conduct their services under armed guard?

As Christians, we are members of the community and members of society, and it is high time that we demand that we get back to law and order and the sooner the better.

It isn’t easy, especially when high officials disrespect and disregard the constitution and law. Citizens, at least some of them, get the idea they can have the same attitude. But that doesn’t have to keep citizens from acting to stop it. Legislators will listen if there are enough who make those demands.

The Bible says, in “Rom. 13:1 “Let every soul be in subjection to the higher powers: for there is no power but of God; and the powers that be are ordained of God. Therefore he that resisteth the power, withstandeth the ordinance of God: and they that withstand shall receive to themselves judgment.”

“Whoso sheddeth man’s blood, by man shall his blood be shed: for in the image of God made he man.” (Gen. 9:6)
