YOU NEVER KNOW

For the most part, most people live their lives with a measure of confidence that things are going to be the same. We have our schedules and routines and we go through them in the usual way.

But then, one day, thing change. A car wreck, an accident, a hospital stay or even a death. We didn’t count on those things. We never thought anything like that would happen. One day everything is fine and the next day our world is turned upside down. A beloved wife is gone, a husband and bread winner has a heart attack, a child dies. Few of us prepare for things of that nature.

“Come now, ye that say, To-day or to-morrow we will go into this city, and spend a year there, and trade, and get gain: whereas ye know not what shall be on the morrow. What is your life? For ye are a vapor that appeareth for a little time, and then vanisheth away. For that ye ought to say, If the Lord will, we shall both live, and do this or that.” (James 4:13-15)

If you need to do something, to make an apology, to tell someone you care, to pay a debt, whatever it is, do it now. Tomorrow may be too late.
